

enabling positive outcomes

I am involved in delivering the **Building Better Opportunities** programme, part funded by the European Social Fund

Creating Opportunities

To improve the life chances of people with low confidence and self-esteem, giving them a future that may include employment, financial independence, raised self-esteem and overall health and wellbeing.

We can offer one to one support and assistance to include:

- **Health**
- **Employability**
- **Digital inclusion**
- **Financial capability**
- **Work ethic and attitude**
- **In work support**

Communities First Wessex will be delivering the programme to 33 participants across the areas of East Hants, Winchester, Basingstoke & Deane and Rushmoor.
