Cllr Paula Langley EHDC Alton Eastbrooke Leader of the Labour Group	Alton	<Paula.Langley@easthants.gov.uk>			We are running the bus earlier this Saturday to tie in with Iceland's early shop for OAPs but it may be the last one as we are providing shopping deliveries where needed for the most vulnerable with mutual aid and the community cupboard. Deliveries have already started and I collected surplus food this morning from Aldi. It will be safer to do that than run the bus I think. Please feel free to pass on to relevant groups and they can use me as a contact initially if they have anyone in Alton only identified as needing: 1. shopping delivered that the person pays for 2. Shopping delivered that charity pays for (or free food surplus we might have which is what we are using right now) 3. Medicines collected 4. A chat because they are lonely or worried! We are also looking for local volunteers and they can contact me too. Will see if the leaflet is ready yet and can share with you to share if you have good contacts. Alton Lions are joining in too with volunteers so it's all good	Cllr Paula Langley
