

# What is Shopmobility?

Shopmobility is a community service that provides mobility scooters to anyone who cannot easily manage to get around the town or local area.

The service also provides manual & powered wheelchairs. It can be on a regular or short term basis. Users must be over 16 years of age.

*Whether you are young or old, with a temporary or permanent disability, even just a little unsteady on your feet, we can help.*

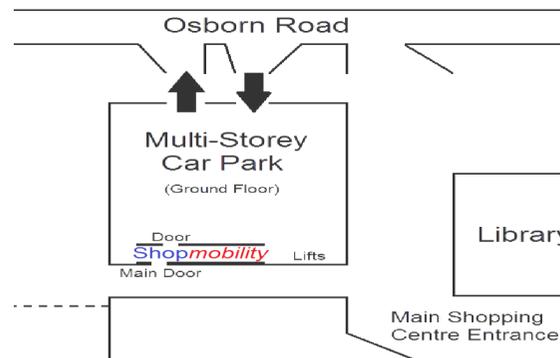

**Chichester Shopmobility**  
Shopmobility Mobile Unit

# Community First

# Starting to use the service

Before using us, we can help customers decide whether a wheelchair or scooter is the best option.

We will give full training and a demonstration of how to use the equipment safely and effectively.

This training is important to ensure that the scooter or wheelchair can meet the needs of the customer and that they are able to have full control in a safe and confident manner.

# On holiday or need extra help?

We offer short or long term mobility hire. Ask if you need your scooter or wheelchair to be delivered to your home or holiday address. The smaller ones can even fit in the back of your car.

## Supporting Events

We provide scooters and wheelchairs for various events such as Goodwood & Farnborough. Please contact us if you have an event you would like us to support.

Shopmobility is enabled by grants from Chichester District Council and Fareham Borough Council in addition to generous contributions from our customers.

Community First aims to help local people stay connected, providing the means to keep in touch with their local communities and access the support they need to remain independent and improve their wellbeing.

Registered charity 1147527

Company registered in England & Wales 08071971

# Membership

We offer both annual and day membership. There is a charge for each use.

When using the service for the first time members must provide an ID document with their address on (e.g. recent utility bill or a drivers licence).

## Wessex Shopmobility

Community First Shopmobility membership also includes membership of the Wessex Shopmobility scheme.

This enables you to use the facilities of the other Wessex Shopmobility schemes & pay only the daily charge.
