ONLINE PHARMACIES

Registered and Regulated online services providing free NHS repeat prescriptions

Ways to order medication online: We recommend in the first instance that you use the NHS App. The App has its own process for checking your ID using a smartphone. This will give you basic access to order your repeat medication.

See the link for information on the NHS App: <https://www.nhs.uk/using-the-nhs/nhs-services/the-nhs-app/>

Access to more detailed parts of your medical record can be arranged with the practice at a later date, once the practice has lifted restrictions on patient contact.

You can email your prescription requests to whccg.nfcmg-enquiries@nhs.net

Ensure you include your full name, date of birth and address in your email, as well as the prescriptions items you require.
