

Paediatric First Aid

This is a two day course on Monday 30th January and 13th February

This Paediatric First Aid qualification is for those who work in a childcare setting. This paediatric first aid course has been specifically designed to meet the paediatric first aid requirements in the statutory framework for the early year's foundation stage.

This qualification provides Learners with the opportunity to develop the skills and knowledge needed to deal with a range of paediatric first aid situations, illnesses, injuries and emergencies which can arise when looking after children. This course is accredited by the First Aid Industry Body (FAIB)
