How to take part

If you would like to take part in our Walks, please come along to the start point of the walk you would like to join a few minutes early so that one of our trained leaders can give you a registration form to complete. You will then be able to take part in as many walks as you wish. If you would like to know more before you start, please contact Jan Barratt, Healthy Walks healthywalks@cfirst.org.uk 07737 688523.

Train as a Walk Leader

Our walks rely heavily on the fantastic support from our volunteer walk leaders, and we are always searching for more people to join the team. Walk leaders are required to attend a free, virtual half-day course in order to be qualified.

Once completed, you will be responsible for a group walk on a regular basis. If you would like more information please contact Jan Barratt, Healthy Walks healthywalks@cfirst.org.uk 07737 688523.
