

Emergency First Aid At Work

This course is intended for workplaces where the appointed person will be able to take charge in the event of an illness or accident or for anyone who wants to learn some basic skills in how to save a life.

At the end of the course attendees will:

- Assess and prioritise casualty needs
- Give effective treatment
- Help to assist Emergency Services
- Identify Life threatening conditions
- Record and Report incident

You will be accesses though out the day and a certificate will be issued which will be valid for 3 years.

No prior knowledge is necessary
